Welcome to Basketmakers of Victoria, 2023

We are a non-profit organisation that aims to support individuals in learning, sharing and applying basketry techniques. Our members work with natural fibre basketry and many other materials. We support eclectic interests, embracing traditional and contemporary practices and influences.

Benefits of membership include:

- a copy of our quarterly magazine Basket Views which contains information on events, activities, exhibitions and workshops.
- informal gatherings at The Cottage on Wednesdays and Sundays from 10am to 3pm from January to December. Members work on their baskets, share ideas and techniques and assist each other.
- the 3-day member muster in January.
- access to basketry materials at member prices.
- reduced workshop fees. Workshops in different aspects of basketry are held regularly throughout the year. Non-members are also welcome to participate.
- organised gathering days for less accessible plant materials.
- short demonstrations/talks on various aspects of basketry.
- opportunity to sell and exhibit your work at the gallery and various exhibitions.
- ongoing skills development.
- use of BOV's comprehensive library of reference books, periodicals, DVDs, magazines and basket moulds for members to borrow.
